EXPERIENCE

Alfa Medicus Pte. Ltd. — Jun 2025 – Present

Regional Accountant, Consolidation & FP&A — *Singapore*

Portfolio company of Intermediate Capital Group (ICG, LSE-listed) with 20 subsidiaries across APAC.

- Recognised as a High Performer in FY2025 and FY2026.
- Lead the monthly consolidation of 20 subsidiaries across APAC, delivering group reporting and budgets; perform monthly budget-versus-actual variance analysis, explaining fluxes top-down from revenue through to EBITDA to give management clear insight into performance drivers.
- Supervise and mentor a team of 10, reviewing deliverables and driving accountability across the month-end close; serve as the primary point of contact for EY auditors and bankers at company and group level.
- Designed and rolled out standard operating procedures for bank-in, patient claims and reporting, shortening the month-end close from 15 to 9 days; built in-house Excel VBA consolidation tools that reduce group reporting time by 4 days.
- Spearheaded the NetSuite and SAP ERP rollout across 20 entities, integrated with BlackLine, FileAI and Acme to standardise finance processes and strengthen controls across the Group.
- Led the amalgamation of 4 entities into one, managing statutory, tax and stakeholder matters through to completion.
- Cleared a 4-year backlog of suspense accounts and unreconciled bank statements, restoring the integrity of the books.
- Monitor bank covenant compliance and quantify the financial impact of redeemable convertible preference shares (RCPS), call options and purchase price allocation (PPA) valuations, informing management decisions on funding, gearing and acquisitions.

KPMG — Jan 2022 – Dec 2024

Assistant Manager, Assurance (Real Estate, Consumer and Tourism) — *Singapore*

- Recognised as a High Performer in FY2024.
- Led audit teams on Public Interest Entity (PIE) and multinational engagements across APAC from planning to reporting, using risk assessments to focus resources on areas of highest misstatement risk and delivering on time and within budget.
- Tested SOX controls across Record-to-Report, Procure-to-Pay and Order-to-Cash for design and operating effectiveness.
- Partnered with Data & Analytics on data-driven revenue testing, investigating outliers to target higher-risk transactions.
- Prepared DCF valuations, impairment testing and sensitivity analysis under IAS 36, challenging management's key assumptions on growth rates, discount rates and terminal values to assess the recoverability of goodwill and long-lived assets.
- Performed M&A due diligence by converting target financial statements from PRC GAAP to SFRS and performed the consolidation and purchase price allocation (PPA) valuation under SGX Listing Rule 609.
- Built an Alteryx fixed asset depreciation tool across multiple entities and ERPs, cutting testing time from 3 days to 1.

Ernst & Young — Jul 2020 – Dec 2021

Experienced Associate, Assurance (Diversified Industries, Technologies & Communications) — *Malaysia*

- Audited Malaysia's Bursa-listed and multinational groups across semiconductor, industrial technology and property sectors.
- Owned key audit areas end to end, from risk assessment and controls testing to financial statement review.

YYC Advisory LLP — Mar 2019 – May 2020

Audit Associate, Assurance — *Malaysia*

- Performed end-to-end audits of SMEs Companies under MFRS and MPERS.
